¹ [TN: This listing was originally published on p. 164 of the 1966 book "Czenstochover Landsmanshaft of Montreal".]

² [TN: This is not the ul. Koszarowa in Stradom, but one that existed downtown, as did the now obsolete ul. Stodolna that is also listed below.]

³ [TN: Although ul. Prosta was indeed liquidated in the 3rd akcja, it is unclear why it appears in parentheses and what the meaning of "Michowski" is.]
