

Częstochowers in Jerusalem

There are about thirty Częstochowa families in Jerusalem. Among them [are] Dr Józef Kruk - a socialist, a fighter, a writer and a journalist, Sz.Z. Shragai – a former Mayor of Jerusalem and, nowadays, a member of the management of the Jewish Agency and Rabbi Dr Ch.Z. Hirsberg – a lecturer at the Bar-Ilan University and an expert on Semitic languages.

The *Częstochowers* in Jerusalem have the custom of gathering, every year, at *Yad Vashem* to hold memorial services for our city's martyrs.

The photograph above us is of one of the memorial services that were held at *Yad Vashem*. In the background is the entrance to the *Yad Vashem* Institute.
