

*Herman Klajman hy''d*

With burning pain and a spiritual tremor, we commemorate in the Memorial Book of the destroyed Częstochowa Community, the memory of our beloved parents:

**Herman and Bronka (née Kaufman) Klajman hy''d,**

who were murdered by the accursed Nazi criminals, together with the rest of our family members, in the days of the disaster the likes of which have not been in the history of Our People.

**Giza Segal (née Klajman) and her family,  
Giv'atayim**
