

My husband and our father,
Pinkus Lew (Lewkowicz)

Born in Częstochowa in 1911, he died in 1957, at the budding age of 46. He was very active in Jewish communal life in Australia [and was] one of the founders and the Vice-President of the Częstochowa *Landsmannschaft* in Melbourne.

Together with his wife **Ester**, [long] may she live, they visited Israel in 1957. He was enthralled and decided to dedicate more energy and time to the building of Israel but, sadly, was taken from us so soon. His premature demise caused many tears amongst *Częstochowers* in Australia.

Deeply in tears and with agony, we immortalise his name in *Sefer Częstochowa*,

his wife **Ester** (née **Windman**),
daughter **Masza**, his sons **Szlojme** and **Herszel**,
the mother, **Szajndla**
and the whole family in Australia
