

Dr Kurland

Jews from Częstochowa in the Vicinity of Paris

Ten years ago, our society was founded in Paris with the aim of aiding our *landsleit*, as well as to serve national and general Jewish interests. It grouped natives of Częstochowa and the surrounding towns of Kłobuck, Mstów, Kamyk, and others.

The first Board of Directors comprised Dr L. Kurland, Dr Szejgin, Sz. Woznica, J. Ajzner, J. Unglik, J. Liberman, L. Bergman, H. Gotajner, D. Herszlikowicz and Sz. Aleksandrowicz.

Our *landsmannschaft* now numbers eight members and encompasses almost all circles of the newly-arrived Holocaust survivors, as well as *landsleit* from the earlier immigrations.

The society leads an intensive cultural-social activity. It has conducted a whole series of cultural and artistic enterprises, national celebrations and memorial services.

Special attention is paid to the social work for our needy fellow *landsleit*. A “package operation” was also carried out for our *landsleit* in current-day Częstochowa.

The newly-elected management consists of Dr L. Kurland (Chairman); J. Wajnryb (Vice-Chairman), Sz. Woznica (Cultural Manager), L. Bergman (Secretary), J. Unglik, J. Ajzner, M. Wajnryb, D. Herszlikowicz, H. Gotajner and M. Kornberg.
