

G.F.

Szmul Prokosz

He is a son of the renowned [rabbinical] judge, Reb Jossele Kira¹¹³.

He planted a great many trees in the “Canada Park” in Israel in memory of his wife Pelka [Perl] (a daughter of N. Kryman), who died in Canada before her time.

The tree-planting took place with a festive gathering, in which many Częstochowa *landsleit* participated.
